

Hey!

It's Bobby at the Ridge. I wanted to take a moment and first say CONGRATULATIONS!

You are actually in an exclusive club, and you may not have known it.

That's right.

You are in the 29 Club. Want to know what that is?

Ok it's not really a club. But it should be.

As I was looking over this Sunday's message for Christmas, it dawned on me that sometimes I pile on the 71% of people in our church that need a wake up call sometimes. But what I should do is pause and thank YOU; the 29%.

You are part of the 29% that are wide awake. I asked our Operations Pastor to go through all of our giving this past year and send me a list of the families that donated to our church four times or more.

You are getting this email because you are on that list. Whether you gave to Dollar Club, our students or are just a faithful giver.

And for the record, I have no idea how much you gave. I never see individual giving. The frequency of your giving is far more important than the amount. The frequency of your gifts indicates you have a plan for supporting your local church.

Generous people always have a plan.

So from the bottom of my heart, and on behalf of the huge number of people that benefit from and whose lives are being impacted by your generosity, I want you to know, that I know you know, how to be generous.

Thank you!

See you Sunday Church
